Subject: Evaluation and recommendations of the JIM follow-up in the Republic of Croatia from January 2010 to December 2010

Dear Mr Golem,

Thank you for submitting the JIM Implementation Report for 2010. On the basis of the report we have evaluated the progress made in the implementation of the JIM process.

We are pleased to see the progress in the JIM process and we are sending you enclosed our evaluation and recommendations for the next report, which we expect to be the last one with a view to Croatia's accession and its integration within the EU 2020 governance structure.

I would also like to use this opportunity to propose the organisation of a joint JAP and JIM conference which could be held in spring 2012 (date to be confirmed). For the meetings and the conference, we propose two full days, one day of meetings with the JIM and JAP working groups and a second day for the conference.

Yours sincerely,

Kristin Schreiber
Head of Unit
